
Special thanks to the pastor and congregation of Advent Lutheran Church as well as to our technician of our livestream Bryant Williams

The Lynnwood Community Band is a non-profit community band made up of adults and teens from around Snohomish County. We perform all around the Puget Sound, from Everett all the way down to Seattle. We play a variety of challenging pieces and have fun while rehearsing and performing those tunes.

If you or someone you know plays an instrument, you are all welcome to join us, please email at lynnwoodcommunityband@msn.com. There is no fee, no dues and no auditions for joining. If you want to join just bring a music stand, instrument and yourself.

Come join us on Mar 22th at Advent Lutheran.
